

CRM Large Cap Opportunity Fund

The Large Cap Opportunity Fund, under normal circumstances, invests at least 80% of its assets in a diversified portfolio of equity and equity related securities of U.S. and non-U.S. companies with market capitalizations at the time of initial purchase similar to those in the Russell 1000 Value Index ("mid/large cap companies") that are publicly traded on a U.S. securities market.

Supported by an experienced team of investment professionals, the portfolio managers make judgments about the relative attractiveness of various securities in selecting stocks for the Large Cap Opportunity Fund. This Fund typically will be invested in 45 to 55 stocks.

Investing With Clarity for Over Three Decades

Cramer Rosenthal McGlynn, LLC is a leading value-oriented investment firm with approximately \$11 billion in assets under management. Since our firm was founded in 1973, our client list has grown to include corporate and public pension plans, endowments and foundations, hospitals, community and religious organizations, Taft-Hartley and multi-employer funds as well as individual and family trusts. The intellectual coherence of our investment philosophy is a genuine strength.

Capitalizing on Change and Neglect

Our research team strives to invest at the intersection of change and neglect and the intellectual coherence of our investment philosophy offers a genuine benefit to our clients. Companies we buy and hold are characterized by three attributes: **change, neglect and valuation**. The hunt for this trio of attributes provides a solid foundation for every stage of our investment process.

Fund Performance

The information on the Funds' performance represent past performance, which does not guarantee future results. If you invest in a Fund, your investment return and principal value will fluctuate, so that your shares, when redeemed, may be worth more or less than their original cost. The Funds' current performance may be lower or higher than the performance listed. Performance data current to the most recent month-end may be obtained at www.crmfunds.com. Performance of this fund reflects fee waivers in effect. The performance information includes a comparison to various benchmarks, which are rebalanced annually.

Investors should carefully consider the investment objectives, risks, charges and expenses of the CRM Funds carefully before investing. To request a prospectus with this and other information about the Funds, please call 800.276.2883 or visit www.crmfunds.com. It should be read carefully before investing.

Mutual Fund investing involves market risk and it is possible to lose money in a fund. Value-based investments are subject to the risk that the broad market may not recognize their intrinsic values.

¹ The benchmarks referenced are as follows: Russell 1000 Value Index is the Fund's benchmark. The Russell 1000 Value Index is an unmanaged index that measures the performance of those companies in the Russell 1000 Index with lower price-to-book ratios and lower forecasted growth values. It is not possible to invest directly in an index. The Russell 1000 Index is an unmanaged index that measures the performance of the 1000 largest companies in the Russell 3000 Index. The Russell 3000 Index measures the performance of the 3,000 largest U.S. companies based on total market capitalization.

² Expense Ratio Disclosure

The gross expense ratio is the fund's annualized expense ratio as stated in the current prospectus. This ratio reflects the fund's actual expenses, before fee waivers and reimbursements, for the fiscal year ending prior to the date of the current prospectus.

The net expense ratio is the current annualized expense ratio as of the date shown. This figure will fluctuate over time. Cramer Rosenthal McGlynn, LLC has a contractual obligation through November 1, 2010, to waive fees or assume expenses to the extent necessary so that the total annual operating expenses do not exceed the following ratio: Investor Shares, 1.50%. CRM has also voluntarily agreed to waive certain fees and to lower or cap expenses from time to time. This agreement may be changed or discontinued at any time. Effective July 1, 2010, CRM (the "Adviser") has reduced its contractual expense cap on the Institutional Shares for the CRM Large Cap Opportunity Fund from 1.25% to 0.90%. Therefore, the Adviser has a contractual obligation to waive a portion of its fees through November 1, 2011.

³ Information as of June 30, 2010

Fund Characteristics. Information pertaining to Fund Characteristics includes weighted average market capitalization, median market capitalization and other preliminary numbers that have been derived from FactSet Research Systems and Mellon Analytical Solutions. As these numbers are preliminary, they are subject to change. These figures refer to the funds' portfolio and not to the fund itself.

P/E '11 (1 Yr Forward Price/Earnings Ratio) of a stock is calculated by dividing the current price by the projected earnings for the next calendar year

Price/Book Value Ratio is calculated by dividing the market price of its stock by the company's per-share book value.

Wtd Avg Mkt Cap (Weighted Average Market Cap) is weighted by the market capitalization of each stock in the index.

Wtd Median Mkt Cap (Weighted Median Market Cap) is the weighted market capitalization midpoint in the index weighted.

Sector Allocation. The Sector Allocation presented for the fund may not be representative of the funds' current or future investments. The source of the information for all Sector Allocations is FactSet Research Systems, Russell Sectors. Holdings are subject to change at any time.

⁴ Indicates weight in Fund as of March 31, 2010.

Top Ten Holdings. It should not be assumed that the Top Ten Holdings presented for the fund will, in the future, be profitable. Upon request, CRM will furnish a list of all securities purchased, sold or held in the fund referred to during the twelve month period preceding the date of the list of securities. Holdings are subject to change at any time.
